

## No Kid Hungry Youth Ambassadors

Posting: **Hunger Task Force**  
Location: 5000 W. Electric Avenue  
West Milwaukee, WI 53214

No child should grow up hungry in America. By connecting kids in need with nutritious food, the No Kid Hungry campaign surrounds children with healthy food where they live, learn and play.

We're ending childhood hunger by connecting kids to effective nutrition programs like school breakfast and summer meals. This work is accomplished through the No Kid Hungry network, made up of private citizens, public officials, nonprofits, business leaders and others providing innovative hunger solutions in their communities. These public-private partnerships work together to identify and eliminate the barriers that may prevent children from accessing existing food and nutrition resources.

Share Our Strength's No Kid Hungry Campaign has created a program to involve college-aged Youth Ambassadors in the fight against childhood hunger by working with one of our community partners.

For the summer program, Hunger Task Force will host **one (1) Youth Ambassador** or to work on initiatives related to the alleviation of childhood hunger.

Youth Ambassadors will receive a stipend of no more than \$6,000 over the course of the summer, for a completion of 360 hours over 10 weeks, with one week's paid vacation. The program starts on **May 30** and ends in **August 11, 2023**.

Youth Ambassadors will report to a national No Kid Hungry staff member, and a Hunger Task Force member. Ambassadors will participate in weekly conference calls, complete a weekly report and attend online training sessions throughout their term.
