Independent Auditor's Report

Board of Directors Hunger Task Force, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Hunger Task Force, Inc. which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hunger Task Force, Inc. as of September 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Hunger Task Force, Inc.'s September 30, 2019 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 15, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of Hunger Relief Fund and DHS cost reimbursement award schedule are presented for purposes of additional analysis and are not a required part of the basic financial statements. The accompanying schedule of expenditures of federal and state awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and in accordance with the *State Single Audit Guidelines* and is also not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 20, 2021, on our consideration of Hunger Task Force, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Hunger Task Force, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Hunger Task Force, Inc.'s internal control over financial reporting and compliance.

HUNGER TASK FORCE, INC.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2020

NOTE A - Summary of Significant Accounting Policies

Organization

Hunger Task Force, Inc. ("HTF") works to prevent hunger and malnutrition by providing food to people in need today and by promoting social policies to achieve food security tomorrow.

Accounting Method

The financial statements of HTF have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

Accounts Receivable

Accounts receivable are stated at unpaid balances. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

Allowance for Uncollectible Accounts

Management believes all grants, pledges and accounts receivable will be collected in accordance with the terms of the agreements. Thus, no allowance for uncollectible accounts is necessary at year end.

Fixed Assets

All acquisitions of property and equipment in excess of \$5,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Fixed assets are recorded at cost or at the estimated fair value at the date of donation. Depreciation is provided over the estimated useful lives of the assets using the straight-line method.

Inventory

Inventory consists of purchased and donated food. Purchased food is valued at the lower of cost or market and donated food is valued at fair value on the date of donation. The specific identification method is used for inventory. The inventory system identifies the inventory with the earliest expiration date to be used first.

Inventory - From USDA

Inventory from USDA consists of food allocations by The Emergency Food Assistance Program (TEFAP), The Commodity Supplemental Food Program (CSFP), and the Trade Mitigation Program (TMP). The value of inventory from USDA is based on pricing information provided by USDA. The specific identification method is used for inventory. The inventory system identifies the inventory with the earliest expiration date to be used first.

NOTE A - Summary of Significant Accounting Policies (continued)

Basis of Presentation

HTF reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Contributions and Grant Revenue

Contributions received and unconditional promises to give are measured at fair value and are reported as increases in net assets. Contributions are considered available for the Organization's general operations and included in net assets without donor restrictions unless specifically restricted by a donor. A restricted contribution is reported in revenue and net assets without donor restrictions when the restriction is met within the same reporting period as the contribution is received. Contributions received restricted for a purpose not yet met or to support a future period are included in net assets with donor restrictions. When a donor restriction from a prior year expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Conditional contributions are not recognized as revenue until they become unconditional. A conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated if the barrier is not overcome.

Net assets restricted for acquisition of building or equipment are reported as net assets with donor restrictions until the specified asset is placed in service when the net assets are released to net assets without donor restrictions.

When a donor requires the investment of a contribution and restricts the use of investment income, the investment income is reported as net assets with donor restrictions until appropriated for the designated time or use when the net assets are released to net assets without donor restrictions.

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Donated services are recognized as contributions if the services create or enhance nonfinancial assets or the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Accordingly, the value of contributed time that does not meet these requirements has not been determined and is not reflected in the accompanying financial statements.

Government Grants and Contract Revenue

Government grants and contract revenue are recognized when earned. Revenue is earned when eligible expenditures, as defined in each grant, contract or other allowable cost manual, are made. Any cash received for revenue not yet earned is considered to be deferred revenue. Revenue earned but not yet paid to the Organization is included in grants receivable. Expenditures under government contracts are subject to review by the granting authority. To the extent, if any, that such review reduces expenditures allowable under these grants or contracts, the Organization records the disallowance at the time the final assessment is made. Management believes that disallowances, if any, would not have a significant effect on the financial statements.

NOTE A - Summary of Significant Accounting Policies (continued)

Functional Expenses

HTF allocates costs directly to food, outreach, advocacy, development or management whenever possible. Certain expenses are attributable to one or more programs or supporting functions of the Organization. Expenses related specifically to the DC-South Warehouse, such as utilities, cleaning supplies, telephone and snow plowing expenses are allocated based the square footage of the DC-South Warehouse relative to each program it benefits. Expenses related specifically to the office location, such as subscriptions, cleaning and office supplies, and electricity are allocated based on the square footage of the office location relative to each program it benefits. Salaries, insurance, IT expenses, other payroll expenses, and other expenses that effect all staff are allocated based the amount of hours each employee spends relative to each program for a two week period in the spring of each year. Transportation costs such as fuel and truck leases are allocated by the total pounds of food distributed from each program and allocated as such.

NOTE B - Accounting Change

The Organization's financial statements have changed to adopt the Accounting Standards Update 2014-09, Revenue from Contracts with Customers (Topic 606), and all subsequently issued accounting updates issued to clarify the standards. The updates are effective for the year ended September 30, 2020. The updates are required and establish principles for reporting useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from contracts with customers. The core principle of the guidance is that an organization should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the organization expects to be entitled.

The Organization's financial statements have changed to adopt the Accounting Standards Update 2018-08, Not-for-Profit Entities (Topic 958), Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made effective for the year ended September 30, 2020. This update is required. The goal of this update is to help organizations determine reciprocal and nonreciprocal transactions. The guidance clarifies that an exchange transaction is when the resource provider receives equal value in return for what the resource provider pays. When the general public is the recipient of the service or goods, the transaction is not considered a reciprocal transaction, it is considered a contribution. The guidance also clarifies that a conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated if the barrier is not overcome.

The Organization applied the new guidance using the practical expedient provided in Topic 606 that allows the guidance to be applied only to contracts that were not complete as of October 1, 2019. Results for reporting periods beginning after October 1, 2019 are presented under Topic 606 while prior period amounts are not adjusted and continue to be reported in accordance with legacy generally accepted accounting principles.

The adoption of this new standard did not result in a material impact to the Organization's financial statements. There was no significant effect on the financial statements related to the adoption of this new standard which would require cumulative effect adjustment to net assets at the date of adoption under the modified retrospective method.

NOTE B - Accounting Change (continued)

Future Accounting Pronouncements

Accounting Standards Update 2020-07, Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958) will be effective for fiscal years beginning after June 15, 2021. The amendments in this update are required and provide new presentation and disclosure requirements about contributed nonfinancial assets to nonprofits, including additional disclosure requirements for recognized contributed services. Contributed nonfinancial assets will be required to be reported as a separate line in the statement of activities. A financial statement note will be required to provide disaggregated contributed nonfinancial assets by category including: the type of contributed nonfinancial asset; qualitative information about the monetization or utilization of the nonfinancial assets; the policy about the monetization or utilization of nonfinancial assets; a description of restrictions, valuation, and the market used to determine the fair value. The amendments, required to be presented retrospectively to all periods presented, will not change the recognition and measurement requirements for those assets.

Accounting Standards Update 2020-08, Receivables – Nonrefundable Fees and Other Costs (*Topic 310-20*) will be effective for fiscal years beginning after December 15, 2021. The amendments in this update represent changes to clarify the codification. An organization shall apply the amendment prospectively and impacts the effective yield and of an existing individual callable debt security.

Accounting Standards Update 2016-02, Leases (Topic 842) will be effective for fiscal years beginning after December 15, 2021. This update requires the recognition of lease assets and lease liabilities on the statement of financial position measured at the present value of lease payments and requires disclosure of key information about the leasing arrangements.

Accounting Standards Update 2016-13, Financial Instruments - Credit Losses (Topic 326) will be effective for fiscal years beginning after December 15, 2023. The main objective of this update is to provide financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. To achieve this objective, the amendments in this update replace the incurred loss impairment methodology in current GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates, including exploring more forward-looking alternatives.

NOTE C - Comparative Financial Information

The financial information shown for 2019 in the accompanying financial statements is included to provide a basis for comparison with 2020. The comparative information is summarized by total only, not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity to generally accepted accounting principles. Accordingly, such information should be read in conjunction with HTF's financial statements for the year ended September 30, 2019, from which the summarized information was derived.

NOTE D - Liquidity

HTF's operations are funded through government grants and donations from the public. HTF maintains its cash reserves in liquid bank accounts. Those assets are available for general expenditures, liabilities and to pay other obligations as they come due. As of September 30, 2020, the Organization had approximately \$9,506,876 in financial assets available for use. The financial assets include cash, cash equivalents and receivable balances, reduced by amounts restricted by donors.

| Cash and Cash Equivalents | \$ 7,599,175 |
|---|---------------------|
| Grants Receivable | 3,353,273 |
| Current Pledges Receivable | 815,000 |
| Accounts Receivable | 8,750 |
| Less: Amounts Subject to Donor Restrictions | (2,269,322) |
| Total | <u>\$ 9,506,876</u> |

NOTE E - Concentration of Credit Risk

HTF maintains cash balances in banks. These balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 per financial institution. As of September 30, 2020, the uninsured portion of this balance was \$7,145,840.

NOTE F - Beneficial Interest in Assets Held by Others

Generally Accepted Accounting Principles requires that a specified beneficiary recognize its rights to the assets held by a recipient organization unless the donor has explicitly granted the recipient organization variance power. HTF transferred some of its investment portfolio to the Greater Milwaukee Foundation to establish a fund in a prior year. At September 30, 2020, the fund held at the Greater Milwaukee Foundation has a value of \$334,262, which is reported on the statement of financial position as Beneficial Interest in Greater Milwaukee Foundation.

NOTE G - Fair Value Measurements

HTF has adopted the Financial Accounting Standards Board guidance on fair value measurements. A three-tier hierarchy is used to maximize the use of observable market data inputs and minimize the use of unobservable inputs and to establish classification of fair value measurements for disclosure purposes. Financial assets valued using level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Financial assets valued using level 3 inputs are based primarily on valuation models with significant unobservable pricing inputs and which result in the use of management estimates.

NOTE G - Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, HTF's assets at fair value as of September 30, 2020:

| Investment Category | Fair Value | Level 1 | Level 2 | Level 3 |
|------------------------------|--------------------|--------------------|-----------|------------------|
| GMF Beneficial Interest | \$ 334,262 | \$ | \$ | \$334,262 |
| Exchange Traded Equity Funds | 840,922 | 840,922 | | |
| Bond Funds | 825,356 | 825,356 | | |
| Equity Mutual Funds | 2,499,592 | 2,499,592 | | |
| Total | <u>\$4,500,132</u> | <u>\$4,165,870</u> | <u>\$</u> | <u>\$334,262</u> |

GMF Beneficial Interest includes equities securities, fixed income securities, absolute return hedge funds, and long/short equity hedge funds. The funds are held by the Greater Milwaukee Foundation which reports on a calendar year.

Assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3):

Fair Value Measurements Using Significant Unobservable Inputs (Level 3)

| | GMF Investments |
|---|--------------------|
| Beginning Balance, October 1, 2019 Total gains or losses | \$306,898 |
| (realized/unrealized) Fees | 28,930 (1,566) |
| Transfers in and/or out of Level 3 | |
| Ending Balance, September 30, 2020 | <u>\$334,262</u> |

All assets have been valued using a market approach, except for Level 3 assets. Level 3 assets are valued using the income approach. Fair values for assets in Level 2 are calculated using quoted market prices for similar assets in markets that are not active. Fair values for assets in Level 3 are calculated using assumptions about discounted cash flow and other present value techniques. There were no changes in the valuations techniques during the current year.

NOTE H - Grants Receivable

Grants receivable consists of the following amounts at September 30, 2020:

| Source | <u>Amount</u> |

| Total | <u>\$217,753</u> |

NOTE K - Intangible Assets

Net intangible assets of \$61,884 presented on the balance sheet as of September 30, 2020, consists of the following:

| Amortized Asset | Gross <u>Value</u> | Accumulated Amortization | Residual <u>Value</u> | <u>Life</u> |
|---|---|---|--------------------------|--|
| Inventory Computer System Raiser's Edge Enhancements O-Matic Import Software and License Website | \$33,765 6,719 6,400 <u>15,000</u> | \$33,765 6,719 6,400 <u>10,000</u> | \$ | 3 years 3 years 3 years 3 years |
| Total | <u>\$61,884</u> | <u>\$56,884</u> | <u>\$5,000</u> | |

Amortization expense was \$5,000 for the year ended September 30, 2020. Future amortization is expected as follows for the year ending September 30:

| Year | <u>Amount</u> |
|-------|----------------|
| 2021 | <u>\$5,000</u> |
| Total | <u>\$5,000</u> |

NOTE L - Capital Lease

HTF has capital lease obligations for six freight trucks and five copiers. The cost of \$899,584 is included in fixed assets. Total accumulated depreciation for the leased assets amounts to \$413,732 at September 30, 2020.

The items are depreciated over the life of the leases. Amortization of the capital leases of \$131,743 is included in depreciation expense for the year ended September 30, 2020.

Future minimum lease payments are as follows:

| Year Ending September 30, | <u>Principal</u> | Interest | <u>Total</u> |
|---------------------------|-------------------|-----------------|------------------|
| 2021 | \$135,248 | \$25,804 | \$161,052 |

NOTE N - Conditional Contributions

The Organization has a contract with the government which includes specific use stipulations requiring funds be used only on qualifying expenses determined by the grant contract and allowable cost policies. The Organization will not receive the grant funds unless spent on the required activity and within the allowable cost guidance. As of September 30, 2020, the Organization has available grant funds of \$11,231,955, available for its Outreach program, which are available through December 30, 2020. In addition, the Organization has \$268,745 available for the Outreach program through August 31, 2023.

NOTE O - Donated Food and Services

HTF records donated food and services at fair market value on the date of the donation. Food is valued based on food studies. This amount is included in both revenue and expenses. HTF received \$13,402,756 of donated food for the fiscal year ended September 30, 2020.

NOTE P - In-Kind Revenue

During the year ended September 30, 2020, HTF received \$1,725 of donated printing services, \$4,013 of donated tools, a \$12,000 dry trailer, and \$100 of donated milk vouchers.

NOTE Q - Hunger Relief Fund

HTF administers the Hunger Relief Fund of Wisconsin. Hunger Relief Fund does not charge fees of any kind to its participants.

NOTE R - Retirement Savings Plan

HTF has an employee retirement savings plan in which all employees are eligible to receive a matching employer contribution to the plan. The matching contribution from HTF was 100% of the employee contribution up to a limit of 5% of an employee's gross wages. In addition, HTF made a discretionary contribution. Total retirement savings plan contributions for the fiscal year ended September 30, 2020, were \$272,207.

NOTE S - Advertising Costs

HTF uses advertising to promote its programs. Advertising costs are expensed as incurred. Advertising expense for the year ended September 30, 2020, was \$287,798.

NOTE T - Produce Harvested on Farm

HTF operates a farm in Franklin, Wisconsin, under a long-term lease agreement with Milwaukee County. The value of produce harvested for the year ended September 30, 2020, amounted to \$892,489. This amount is not reflected in the financial statements.

NOTE U - Income Taxes

HTF is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and is classified as other than a private foundation. Management has reviewed all tax positions taken in previous fiscal years and those expected to be taken in future fiscal years. As of September 30, 2020, HTF had no amounts related to unrecognized income tax benefits and no amounts related to accrued interest and penalties. HTF does not anticipate any significant changes to unrecognized income tax benefits over the next year.

NOTE V - Subsequent Events

Subsequent events were evaluated events occurring after September 30, 2020, through January 20, 2021, which is the date the financial statements are available to be issued, for possible adjustments to the financial statements or disclosures. HTF has determined that the following subsequent event needs to be disclosed.

The Organization purchased a building for \$6,700,000 with a mortgage of \$5,025,000 on December 9, 2020.

HUNGER TASK FORCE, INC. NOTE TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS FOR THE YEAR ENDED SEPTEMBER 30, 2020

NOTE 1 - Basis of Presentation

The accompanying schedule of expenditures of federal and state awards includes the federal and state grant activity of Hunger Task Force, Inc. and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the *Uniform Administrative Requirements, Cost Principles,* and *Audit Requirements for Federal Awards* and the *State Single Audit Guidelines.* Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

The Organization has not elected to use the 10% de minimus cost rate. The Organization allocates indirect costs based on direct salaries limited to grant budgets.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

Independent Auditor's Report

To the Board of Directors Hunger Task Force, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Hunger Task Force, Inc., which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated January 20, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Hunger Task Force, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Hunger Task Force, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Hunger Task Force, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control, that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Hunger Task Force, Inc. Page Two

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Hunger Task Force, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

<u>Report on Compliance for Each Major Federal Program and Report on</u> Internal Control Over Compliance Required by the *Uniform Guidance*

Independent Auditor's Report

To the Board of Directors of Hunger Task Force, Inc.

Report on Compliance for Each Major Federal Program

We have audited Hunger Task Force, Inc.'s compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of Hunger Task Force, Inc.'s major federal programs for the year ended September 30, 2020. Hunger Task Force, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, contracts, and terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Hunger Task Force, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Hunger Task Force, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Hunger Task Force, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Hunger Task Force, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2020.

To the Board of Directors of Hunger Task Force, Inc. Page Two

Report on Internal Control Over Compliance

Management of Hunger Task Force, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Hunger Task Force, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Hunger Task Force, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

<u>Report on Compliance for Each Major State Program and Report on</u> Internal Control Over Compliance Required by the *State Single Audit Guidelines*

Independent Auditor's Report

To the Board of Directors of Hunger Task Force, Inc.

Report on Compliance for Each Major State Program

We have audited Hunger Task Force, Inc.'s compliance with the types of compliance requirements described in the *State Single Audit Guidelines* that could have a direct and material effect on each of Hunger Task Force, Inc.'s major state programs for the year ended September 30, 2020. Hunger Task Force, Inc.'s major state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Hunger Task Force, Inc.'s major state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *State Single Audit Guidelines* issued by the Wisconsin Department of Administration. Those standards and the *State Single Audit Guidelines* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about Hunger Task Force, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state program. However, our audit does not provide a legal determination of Hunger Task Force, Inc.'s compliance.

Opinion on Each Major State Program

In our opinion, Hunger Task Force, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended September 30, 2020.

To the Board of Directors of Hunger Task Force, Inc. Page Two

Report on Internal Control Over Compliance

Management of Hunger Task Force, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Hunger Task Force, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major state program and to test and report on internal control over compliance in accordance with the *State Single Audit Guidelines*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Hunger Task Force, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance for a state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *State Single Audit Guidelines*. Accordingly, this report is not suitable for any other purpose.
